FRIENDS,

We thank you for helping attract and enroll an outstanding 2012 freshman class.

The overall quality of our students continues to grow to record levels. Projected test scores and GPA are 1242 SAT, 27 ACT and 3.8 GPA. UCF is also becoming more diverse with an ethnic minority student population of 36 percent.

With 59,300 students, UCF remains the second-largest university in the nation. Our size affords us the ability to offer a small college experience through The Burnett Honors College while providing an array of unique opportunities for all of our students from undergraduate research to study abroad experiences.

Please encourage your students to sign up for our Campus Visit Experience at admissions.ucf.edu. Thank you for all your dedication, hard work, continued support and friendship. We look forward to seeing you soon.

Dr. Gordon D. Chavis, Jr.
Associate Vice President
Office of Undergraduate Admissions

Elizabeth M. Costello
Interim Director
Office of Undergraduate Admissions
DUAL ENROLLMENT STUDENTS APPL YING TO UCF

The number of students applying to UCF with accelerated dual enrollment credit and A.A. degrees is on the rise. It is important for students and their families to bear in mind that the Florida State University System Board of Governors defines them as freshmen (FTIC) for admission purposes. Students with an A.A. degree earned through dual enrollment may not qualify for admission through DirectConnect to UCF, and may not be considered for admission as transfer students unless they complete 12 semester hours of college course work after high school graduation. These students do need to demonstrate completion of at least 18 high school course units and present a competitive cumulative high school GPA, satisfactory SAT or ACT scores, and submit a copy of their official college transcripts to be considered for admission. We encourage any student who plans to enter UCF from high school with an A.A. degree to contact the Office of Undergraduate Admissions if they have any questions or concerns about the application process or admission requirements.

UCF IS TURNING 50

In 1963, a new university was created to meet the growing technological needs of Central Florida and the state. Then Florida Technological University (FTU), the university opened its doors to students for the first time in 1968. In 2013, UCF celebrates its 50th anniversary to highlight the high-quality education and economic impact, as well as the innumerable opportunities, it has brought to the region.

Join with us in celebrating by sharing your stories or by taking a walk down UCF’s history at ucf.edu/50.

PROGRAM CHANGES

UCF is making a few changes to our major and minor offerings this fall.

We are offering two new minors:
- Diplomacy
- Mathematical Biology

We are discontinuing two majors:
- Exceptional Education
- Modern Language Combination
  Spanish and French are still offered as degree programs; the combination is no longer offered.

Also, UCF is discontinuing the minor in German.

GO KNIGHTS!

The Knights are gearing up to enter the BIG EAST Conference in 2013 to compete against some of the best teams in the nation. The new conference participation will bring national attention to our accomplishments.

Our women’s track and field claimed their third Conference USA (C-USA) title, and that was just the beginning of a season that ended with seven programs advancing to postseason play, and four of our Knights competed at the U.S. Olympic Trials.

Both of our soccer programs gained postseason appearances, including a run to the Elite Eight for the women’s team with victories over University of Florida and University of North Carolina along the way. Men’s basketball earned its second consecutive 20-plus win season and our football and women’s basketball teams now have two C-USA championships under their belts.

Our student-athletes continue to gain accolades in the classroom—they scored an average GPA of 3.0 or greater for the ninth consecutive semester. And they clocked more than 100,000 community service hours over the past year.

OPEN HOUSE EVENTS

Are your students looking to learn more about being a Knight? We invite students and their families to learn more about life at UCF, our academic programs and financial aid. Full-day Open House events are offered on the following Saturdays:
- September 22, 2012
- October 20, 2012
- November 17, 2012
- January 26, 2013

Students must register for an Open House event online at admissions.ucf.edu/visit. Students should register early, as space is limited.
